TO WHOM IT MAY CONCERN

This is to confirm our company's relationship with Central Asia Business Consultants ("CABC") in Azerbaijan and Kazakhstan over the past years commencing in 1997.

We hired CABC to provide the following services

1. Accounting according to local laws of the operations and filing of all company accounts
2. Filing of all tax returns, profits taxes, VAT, payroll taxes and asset taxes
3. Handling of customs duties and regulations under the local PSA agreements with the oil majors
4. Accounting under UK GAAP for the company
5. Payroll preparation and reporting under labour codes
6. Ad hoc advice as required

We always obtained the highest service, good response on urgent issues and appropriate response to the changing circumstances of the company. We would recommend any other business to use the services of CABC in the future
