Letter of Recommendation

Dear Sirs,

This is to confirm that we cooperate with Central Asia Business Consultants ("CABC") for more than 6 years. CABC provides the following services for our company on accounting and tax accounting:

- Accounting in accordance with Azerbaijan legislation;
- Composition of accounting documentation (register, journals, reports including e-version)
- tax accounting in accordance with Tax Code of the Republic of Azerbaijan;
- Composition of tax reports

We are pleased to report that during our mutual cooperation all services have been provided by CABC in a highly satisfactory and professional manner.

The staff of CABC has always been most helpful in providing any information and advice that we needed. Their personal commitment, honesty and integrity are beyond reproach - they can be trusted with the most delicate tasks.

We were again impressed with professionalism of CABC staff and expect to continue our cooperation over next few years.

If you need any further reference in respect of CABC capabilities, please do not hesitate to contact me.

Yours faithfully,

Gulnar Satybaldiyeva
