

## **TO WHOM IT MAY CONCERN**

I am writing this reference letter with respect to the working relationship between Oil States Industries (UK) Limited (OSIUK) and Central Asia Business Consultants, Inc. (CABC)

I can confirm that we have been utilising the services of CABC from March 2007 onwards and have found them to provide an excellent service, very efficient, diligent, with first class integrity.

The services that they have performed for OSIUK during this period include:-

- Assistance with the Registration of Azerbaijan Branch,
- Assistance with the Opening of Azerbaijan Bank Account,
- Monthly Statutory Reporting Services,
- Monthly Accounting Services,
- Ad-hoc Consultancy Services – including work carried out during Tax Audit.

I would have no hesitation in recommending the services of CABC to any other client.
